2. Hourly admissions for criminal proceedings at the Common Pleas level and Central Court will be capped at no more than 15 defendants per hour for Miscellaneous Court, Call of the List, Pre-Trial Conferences and Central Court. H. Hearing officers and Conciliators shall resume in person proceedings while adhering to the criteria set forth in this order.

I. To the extent possible, persons who are not witnesses or are simply accompanying a litigant are asked to forego entering a court facility to help minimize the number of persons within each facility.
