

Assessment Office Data Request Policy

1. It shall be the policy of the Board of Assessment to provide the following information to a person requesting information on a property via telephone or email: name, address, parcel number, and total assessment.
2. All callers shall be made aware that additional assessment data may be obtained by using the available resources in the Assessment Office or via the County's website.
3. All photocopies will be charged in accordance with the County's Policy for Charges for Data and Photocopying.
