BUDGET SUMMARY

BOARD OF COUNTY COMMISSIONERS

2016 Budget Summary

The vast majority of the expenditures of the County are required under the laws of the Commonwealth of Pennsylvania. All Counties have seen services being mandated which are then underfunded by the Commonwealth. The end result is that local citizens incur the cost of these services.

When preparing the 2016 budget the department managers were informed that if any of the 2016 budget expenditures exceeded the 2015 budget level, then justification was needed for the cost increase with appropriate documentation. In addition, all expenditures were compared to a five year budget trend with an understanding of variances form those trends. When the 2016 budget was completed, the General Fund had small budget surplus of \$165. The 2016 budget millage rate on real estate will remain the same at 12.40. The General Fund budget for 2016 contains \$7,114,215 in Revenue and \$7,114,050 in Expenditures. Initiatives taken by the County over the past few years include the following:

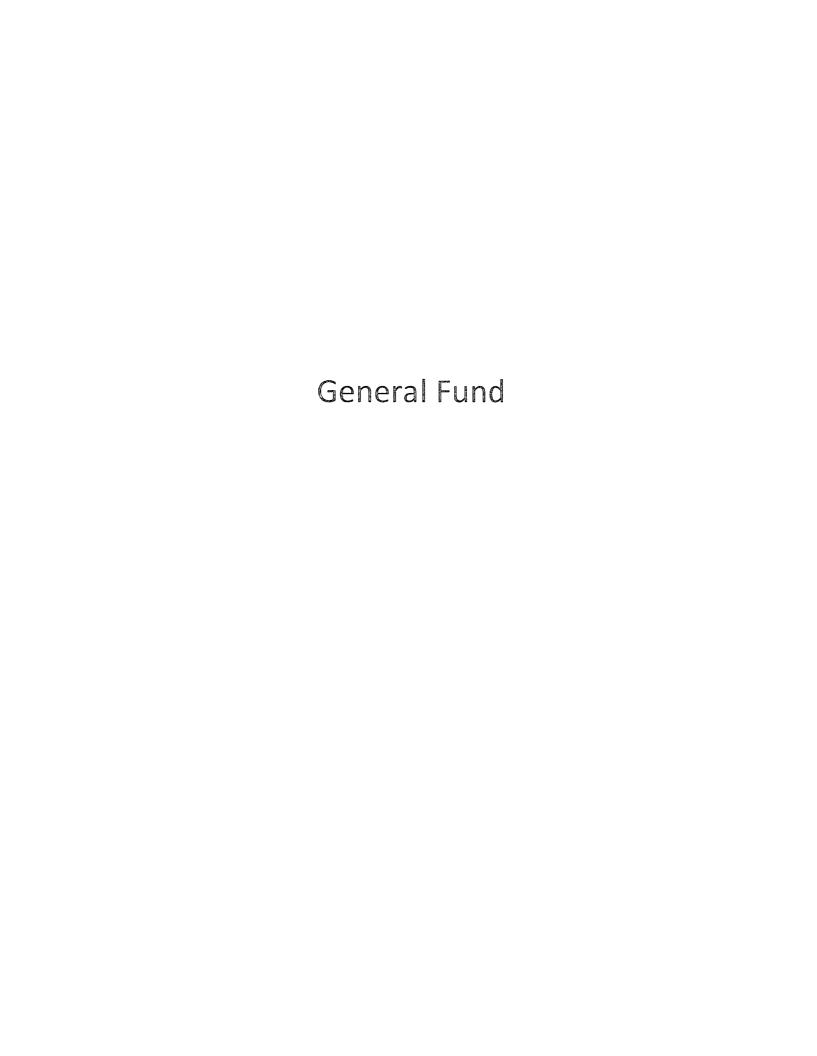

- 1) The County refinanced substantially of all of their debt at the end of 2014, resulting in a savings of at least \$375,000 over the life of the loans.
- 2) By properly investing the County's funds, budgeted interest income has risen from \$9,000 in 2014 to almost \$21,000 in 2016.
- 3) Pension assets have been reinvested to earn approximately \$40,000 more in 2016. While this has no immediate impact on the current budget, these additional earnings should reduce pension contributions from the General Fund in future years.
- 4) In recent years, the Buildings & Grounds Department has been reduced from 3 (three) full-time employees to 2 (two) full-time and 1 (one) part-time employee.
- 5) A new Buildings & Grounds Director was hired in 2015 to perform maintenance on County buildings, which has reduced the need for expensive outsourcing.
- 6) The Domestic Relations office has been reduced by 1 (one) full-time employee, saving the State and County over \$30,000 per year.
- 7) The Information Technology (IT) Department has now been outsourced, saving the County thousands of dollars per year in health care and pension benefits.
- 8) A Campus Master plan will be finalized in 2016, which will allow the County to plan for future maintenance costs and maximize the use of CDBG (Community Development Block Grant) funds instead of using local property tax dollars.
- 9) Negotiated a 3 (three) year union contract internally, instead of using expensive outside legal counsel.
- 10) Applied for a \$26,000 Safety Grant in order to provide needed security upgrades without using local property tax dollars.
- 11) Under the leadership of our Probation Department, the County began using the Teen Challenge treatment program to help rehabilitate substance abusers in 2015. This program is highly effective and helps to rehabilitate offenders, while decreasing our jail costs down at the same time.

These savings have allowed the County to assist the three Senior Citizens Centers with their electric and other utility bills in 2016, without an increase in the millage rate.

While the County has taken many steps to actively monitor expenditures in the future, Court costs remain a significant part of the budget and are expected to increase in 2016, due to the increase in crime.

Tax revenue to the County is almost flat for the 2016 year. Normally tax revenue would be increasing without a millage adjustment; flat tax revenue indicates little economic growth in the County. Tax revenue is the main source of the County's revenue and represents approximately 67% of the total revenue.

During 2016 the County will continue to look for opportunities to control government costs while maintaining a professional staff that can deliver the services that are needed in Fulton County.
