A steering committee comprised of county, state, and community leaders will work to identify risks, assess capabilities, and create a strategy to reduce disaster vulnerability.

Keep checking back regularly for information on upcoming events and to review and comment on the draft plan.

**PUBLIC MEETING  
NOTICE**

Fulton County and its municipalities are updating the Fulton County Hazard Mitigation Plan (HMP). The HMP is designed to make our communities more resistant to losses from natural and man-made disasters, and to enable the county and municipalities to be eligible for federal funding for qualifying mitigation projects.

There will be a Steering Committee meeting to review the updated risk assessment and capability assessment from 6 p.m. to 8 p.m., Monday, December 9, 2019, in the EOC Conference Room, located in the lower level of the Services for Children Building at 219 North Second Street in McConnellsburg.

All interested parties are invited to attend and provide comments on the risk assessment, which is available on the HMP website at <https://www.co.fulton.pa.us/planning-hmp-update.php>. For more information, contact Mary K. Seville of the Fulton County Planning Commission at 717-485-3717.
