

**Fulton County Hazard Mitigation Plan**  
**County Adoption Resolution**

Resolution No. 22 of 2010  
Fulton County, Pennsylvania

**WHEREAS**, the municipalities of Fulton County, Pennsylvania, are most vulnerable to natural and human-made hazards which may result in loss of life and property, economic hardship, and threats to public health and safety, and

**WHEREAS**, Section 322 of the Disaster Mitigation Act of 2000 (DMA 2000) requires state and local governments to develop and submit for approval to the President a mitigation plan that outlines processes for identifying their respective natural hazards, risks, and vulnerabilities, and

**WHEREAS**, Fulton County acknowledges the requirement of Section 322 of DMA 2000 to have an approved Hazard Mitigation Plan as a prerequisite to receiving post-disaster Hazard Mitigation Grant Program funds, and

**WHEREAS**, the Fulton County Hazard Mitigation Plan has been developed by the Fulton County Planning Commission and the Fulton County Emergency Management Agency in cooperation with other County departments, local municipal officials, and the citizens of Fulton County, and

**WHEREAS**, a public involvement process consistent with the requirements of DMA 2000 was conducted to develop the Fulton County Hazard Mitigation Plan, and

**WHEREAS**, the Fulton County Hazard Mitigation Plan recommends mitigation activities that will reduce losses to life and property affected by both natural and human-made hazards that face the County and its municipal governments,

**NOW THEREFORE BE IT RESOLVED** by the governing body for the County of Fulton that:

- The Fulton County Hazard Mitigation Plan is hereby adopted as the official Hazard Mitigation Plan of the County, and
- The respective officials and agencies identified in the implementation strategy of the Fulton County Hazard Mitigation Plan are hereby directed to implement the recommended activities assigned to them.

**ADOPTED**, this 14<sup>th</sup> day of September, 2010
